Due August 2011

TWZ WORKZONE TROUSERS

CODE: WT0107

FABRIC: Polycotton 240gsm

COLOURS: Black & Navy

NAVY SIZES: 77, 82, 87, 92, 97, 102, 107, 112, 117, 122, 127

BLACK SIZES: 77, 82, 87, 92, 97, 102, 107, 112, 117, 122, 127, 132

- Double knees for longer wear and tear
- Mercerised: Yarns are spun with less twist than ordinary yarn to increase the lustre of the fabric. The mercerising process increases the strength of the yarn by about 30% and decreases the weight by about 5%
- Sanforised: Treating the fabric during finishing gives garments a shrink resistant finish.
- Fob pocket to keep your valuables safe
- Hanging side entry pockets
- Wrinkle free finish
- Shirt grips in waistband

NEW RELEASE

Australia and New Zealand Safety Standard – AS/NZS 4602.1:2011

Does your shirt comply to the Day/Night standard?

Ensure your team is setting the safety standards!

Front to back differentiation:

Different UltraFlect® reflective tape patterns on the front and back of the shirt gives you front-to-back differentiation of the wearer in the dark of night.

SNBCO Orange/Navy (Front)

Complies to Appendix B:
Two strips of tape on the arms means you comply with AS/NZS 4602.1:2011

Front to back differentiation:
Different UltraFlect® reflective tape patterns on the front and back of the shirt gives you front-to-back differentiation of the wearer in the dark of night.

SNBCO Orange/Navy (Back)

Double the visibility!

Having two strips of UltraFlect® reflective tape on the arms means you're more visible. AS/NZS 4602.1:2011 APPENDIX B – USE OF RETROREFLECTIVE STRIPS ON SLEEVES AND LEGS OF GARMENTS, states that "Recent research has shown that where a high visibility garment has sleeves or legs, or both, significant visual benefits can be obtained by adopting an optimum biomotion configuration of retroreflective strips on the sleeves and legs." Point (a) states "A 50mm wide hoop of material around each sleeve just above the elbow and around each wrist." This entails, placing two retroreflective strips of UltraFlect® tape on the arms.

UPF 50+ excellent UV protection rating

Suave™
Suave™ fabric complies to AS/NZS 1906.4:2010
