

Traffic Management & Control are running the following Training Courses:

**Traffic Controller course (TC) on the 31st January (1 day)**

No previous training required to attend this TC course. Course covers basic introduction into temporary traffic management. Refer to the following link:

<http://trafficmanagement.scmdemo.com/files/82/file/TC-Course-Information.pdf>

This TC course can be used as a Refresher course to renew your current TC qualification (excludes STMS qualifications) also please note that your current TC qualification must not have expired for more than 1 year (check your ID Cards)

We are also running a full 2 day **STMS course on the 1st & 2nd March** for those who have already completed the 1 day TC course above. You must have a current TC qualification to attend this course.

- **Dates: 31st January 2012**
- **Time: 9am – 5pm**
- **Location: Dunedin**
- **Venue: Scenic Hotel Southern Cross, corner Princess & High St, free parking under the hotel.**
- **Course costs: \$245 plus GST per person**
- **Free morning tea & lunch provided and a copy of the Code of Practise (COPTTM) on CD.**
- **Note: NZTA registration fees for ID cards are an additional \$40 plus GST**

Please get back to me with confirmations!

All confirmation emails should include the following details: number staff attending, names, contact number, order no' and billing details.

If you own a copy of the Code of Practise for Temporary Traffic Management (COPTTM) please bring it along.

If you do not wish to receive future emails then please reply to this email and specify whether you want removed from the following list: Monthly Specials list, Training Course List or both?

Cancellations received less than 5 working days prior to programme commencement will be charged full attendance fee or an enrollee may transfer once to the next available programme.

Regards  
Peter Graham
